## **Board Publishes Updated Workload Rule for Stakeholder Comment (Comments Due 5.5.23)**

---

As part of the Pharmacist Workload Advisory Committee, the State of Ohio Board of Pharmacy is issuing a draft rule on the minimum standards for an outpatient pharmacy.

This rule was developed from the comments received from two previous draft rules (quotas and meal breaks) as well as the work of the committee. Those comments were then incorporated into a new version of the outpatient pharmacy minimum standards rule (OAC 4729:5-5-02).

Comments on the rule are due by **close of business on May 5, 2023.**

A copy of the rules can be found here: [www.pharmacy.ohio.gov/minstandardsrule](http://www.pharmacy.ohio.gov/minstandardsrule) **(Please scroll to page 9 of the rule document to view a copy of the proposed rule text.)**
